

NCB School of Herbalism & Holistic Health

Partial Scholarship Application Form

Student award amounts: \$ 200 - \$1000 / Applications must be typed

We recognize the importance of accessibility to herbal medicine training and the need for financial assistance for some people who do not have the full resources for tuition, but who are clearly on an herbal path. Our staff diligently takes the passion for herbalism and pairs it to those who fulfill our criteria & those who are willing to make a commitment to the process and the program. Applicants considered for scholarships should complete the following:

- 1) Submit admission application
- 2) Submit a non-refundable application fee of \$85.00
- 2) 15 min video conference interview (we will email you with details)

Tell us about your interest in herbs

What draws you to study them

Do you have much experience using or studying herbs?

With whom have you studied

What conferences have you attended?

What are some of your favorite herbal books or websites?

How do you see herbalism growing in America & how you will integrate it into your life?

Do you have the financial stability required to commit to paying the balance of your tuition promptly? _____, please explain if you answered no.

Do you have the time in your schedule to commit to weekly study, including completing homework assignments, readings, and herbal medicine-making projects, etc.? We estimate this should amount to 5-7 hours each week.

NCB School of Herbalism & Holistic Health

Please describe any hesitations or uncertainties you may have regarding time commitments?

There are many different styles of learning - tell us a little bit about your preferred methods. This program includes tele lectures, hands-on work, group activities, book assignments, self-directed study, and an online forum. Which of these learning methods do you find easier, and which are more challenging for you?

Do you have additional adequate resources for acquiring course materials - e.g., books from the recommended reading list, herbs, and medicine-making ingredients & tools, etc.?

Please describe any hesitations or uncertainties you may have regarding finances.

Please list any community organizations or service projects you have participated in the past 3 years?

Career and Interest Summary from Applicant: Write an essay on two typed pages summarizing your short- and long-term career goals, special interests, contributions, projects in plants, herbs, gardening, holistic or alternative health, and related areas. Why do you feel that you deserve this scholarship & what will you do when you finish your certification?

NCB School of Herbalism & Holistic Health
